Series Points System

Our point system is for the long and short distances. We are also introducing the point system for the 5km for 2020.

We will be having overall winners male and female (1st, 2nd and 3rd) and then age group winners for both male and female (1st, 2nd and 3rd). If you are in the top 3 of the overall series, you won't be part of the age category winners.

To be considered for a series result a runner must complete 4 out of 5 races of the same length (e.g. all long Course runs, all Short Course runs or 5km runs – not a mix of the three)

The top 10 male/female finishers in Long, Short and 5km races will be awarded points and then the top 10 male and female of each category will be awarded the same points.

- 1st – 10
- 2nd – 9
- 3rd – 8
- 4th – 7
- 5th – 6
- 6th – 5
- 7th – 4
- 8th – 3
- 9th – 2
- 10th – 1
