

Ramada Resort Kooralbyn Valley – Pavilion Tavern
35 Routley Drive, Kooralbyn
8th March 2020

Event Details

Event Schedule:

8am – Registration opens/bib collection

9:15am – Registration closes/bib collection

9:15am – Race brief – at the start/finish line. All riders must attend. It is a condition of your entry that you attend the briefing

9:30am – Race Starts

2pm – Event presentations (or when everyone is finished)

Race Start:

You will have 4 hours to completed the course.

The course is split into 2 main categories – the timed competitive stages and the transition stages.

There will be 5 timed competitive stages, all predominantly downhill and ranging in difficulty.

The goal is to race down the competitive stages, recording a time for each, which is then consolidated into a single time with the fastest time of all competitors declared the winner.

In between each competitive stage, is the transition stages. This will be predominantly uphill, and are for transitioning the riders from the end of the previous competitive stage to the start of the next one.

Transition stages aren't timed, or competitive, however the time limit 30mins will be imposed on each transition to ensure the event flows smoothly. All riders have the opportunity to complete all stages in a reasonable time.

U13 Juniors are required to complete the 3 timed stages and U15 Juniors are required to complete 4 timed stages. They do have the option continue onto the other stages if they wish but the times will be included in their overall tally.

Time penalties may be incurred if a rider is deemed to have taken too long on a transition stage.

Only registered racers may compete in an event. No kidding, you must be registered to race. An official race number plate must be displayed by each racer. No competitor shall cut, fold, mutilate, apply stickers to or alter in any way the number plate. Numbers are not transferable. Penalty is simple; the timers will not be able to score you, when you complain it will lead to disqualification. The stages can be completed in any order.

Attaching Your Bike Number Plate:

Attach your bike number to the front of your bike using at least 3 ties, securely fastening in an upright position ensuring that can be easily seen from the front. Your Number should be *in front* of the brake cables and not wrapped around any part of the bike. The number cannot be altered, obscured, cut or de-faced. If the race number is not attached correctly there is a possibility that the time keepers will not read your number. It is your responsibility to ensure it is fitted correctly.

Smoke Free Environmental Act 2000 Law:

All On the Edge Events are smoke free. Spectator areas at sports grounds or other recreational areas used for organized sporting events it is not against the law in QLD to smoke.

Categories and Rider Age:

A rider's age is calculated on the day of racing for age grouping & the term General Classification means all riders.

Pausing or Abandoning the Race:

The race may be paused or abandoned due to extreme weather, emergencies or any other reason decided by the organizer. If the race is paused, all riders must complete the lap they are on and their time and laps will be recorded. If the race is then abandoned, that will determine the placings. If the race is resumed at a later time, then the riders will be started on their lap in a staggered start method, so that each rider has the same time off the bike due to the pause and there is no unfair advantage gained. There will be no refunds or other considerations if the race is paused or abandoned.

Withdrawing from the Race:

A rider may withdraw from race at any time. If they choose to withdraw, they must notify the event staff at the timing tent. A rider who withdraws is not allowed to rejoin or resume the race. They must remove their race numbers and cannot ride on the course for the remainder of the event. If they have completed at least one lap, they will be awarded a race result.

Medical Assessment and Assistance:

General first aid care during the race is provided by members of On the Edge Events, from the moment riders enter the starting area until they leave the finishing area. Interventions during the race can only be carried out in a stationery position. Riders must dismount from their bikes to receive medical assistance.

If you are injured and assisted back to the event center, then your lap will not count. Following treatment, the Race Director will make a decision on whether you are allowed to continue the race, based on available medical advice. The Race Director's decision is final and non-appealable. The Race Director may remove a rider from the course for assessment if in the Race Director's opinion the rider is showing signs of extreme fatigue or other condition which may be detrimental to the rider or to other riders in race. Following medical assessment, the Race Director will either:

- Allow the rider to resume racing,
- Mandate a rest period before the rider can resume the race, or
- Withdraw the rider from the race

This decision is the sole responsibility of the Race Director and is non-appealable. There will be no compensation for the rider for the time taken for the assessment process

Race Finish:

There will be a winner for each category for overall.

All decisions made by the race director are final. Protests must be made within 15mins of results being posted

Presentations:

Will be held at approximately 2pm for all competitors in the transition area.

We encourage all participants to mingle round after the event as presentations. Event winners will receive something special and different reflecting the local area to congratulate them, and follow a random prize draw with lots up for grabs that have been kindly donated you must keep your bib and be present to win these prizes

Food:

Please bring your own race food nutrition. Limited water will be available. There will be a sausage sizzle available. The Pavilion Tavern will be open from midday for food as well.

Toilets:

Toilets will be provided.

Parking

Event parking will be provided.
